The Real Estate consists of approximately 0.206 acres of land and is located within the "R-2 two-household district" of the City of Central Falls Zoning Map. The Real Estate is located conveniently near shops and eateries on Dexter Street.

Currently situated upon the Real Estate is a "ranch" style single family residential structure that was built in 1960. The residential structure has 1,014 square feet of living space, consisting of five (5) total rooms, including two (2) bedrooms, and one (1) full bathroom. Located beside the residential structure is a private, off-street, paved driveway with parking available for at least two (2) vehicles.

Electricity for the Real Estate is provided by National Grid. Sewer services are provided by the Narragansett Bay Commission, and water is provided by the Pawtucket Water Supply Board.

Comprehensive bid package materials and a sample abatement template are available at [www.frlawri.com](http://www.frlawri.com), or can be e-mailed or mailed upon request. As part of any bid to abate and acquire the Real Estate, offers must contain a proposed rehabilitation plan and timeline to abate the public nuisance issues present at the Real Estate to a habitable condition.
