The Subject Property consists of approximately 3,392 square feet of land and is located within the "Residential Single-Family Zone" (R6) of the City of East Providence's Zoning Map.

Currently situated upon the Subject Property is a single-family residential structure that was built in 1924. The Structure was previously configured with 1,179 square feet of living space, consisting of seven (7) total rooms, including three (3) bedrooms and one (1) full bathroom.
